

SILKSCREEN

Silkscreen printing is a direct stencil printing process. This printing technique also allows for detailed logos. The cost of silkscreen printing depends on the number of colors.

Production time :

Approximately 12 to 17 business days after visual approval and payment receipt. This timeframe may vary and/or increase depending on the time of year. NET30 accounts are automatically put into production after visual approval.

(Production time may vary depending on the time of the year.)
